By Oana Avasilichioaei : Limbinal Limbinal:

Limbinal as its hybrid title suggests speaks in the porous space between a limb rsquo s articulations and a liminal

border Formally diverse the pieces in Liminal intersect prose fragments with incantatory dialogues poetic footnotes with photographic phrases rebellious translations with liquid transpositions Against a backdrop of globalization fantasies heralding the new utopia the fallout of nationalistic impulses conflicts repeatedly About the Author Exploring the infinite social political intimate possibilities of language Oana Avasilichioaei's work traverses textual architecture orality and multilingualism We Beasts 2012 winner of the Quebec Writers' Federation
