5 of 5 review helpful Love It By Keith Hersch If you are looking for a grammar book this isn't it. It does however do a wonderful job explaining Russian culture and providing you the vocabulary for all of those oh that's what's called I've always wondered moments I had a copy years ago and one of the biggest regrets was not hanging on to it. This edition is definitely an upgrade and I cannot recommend it strongly enough. THE RUSSIAN'S WORLD is a unique achievement.

which presents carefully selected portions of the Russian lexicon within a broad cultural context. It explains aspects of Russian culture and of Russian life in short the Russian world in a lively and engaging manner and contains information that is of value to students of Russian language literature history and culture of all levels from those just past the beginner stage to the most advanced and with every inter gives the necessary cultural information within which the Russian language is set should be available in every Russian department. Rusistika 1999 irreplaceable resource for the non native scholar invitation into the
