9 of 10 review helpful Very useful the only dictionary on JPA around By Shmuel ben Naftali I found this book extremely useful it being virtually the only dictionary on Jewish Palestinian Aramaic around Pity it didn t do an English Aramaic index as well which would have been EXTREMELY useful Rather pointless though were its inclusion of words that it did not know the meaning of As a long time researcher into Aramaic Since the Middle Ages lexographies of Talmudic and other rabbinic literature have combined in one entry Babylonian Palestinian and Targumic words from various periods Because morphologically identical words in even closely related dialects can

frequently differ in both meaning and nuance their consolidation into one dictionary entry is often misleading Scholars now realize the need to treat each dialect separately and in A Dictionary of Jewish Palestinian Aramaic There can be little doubt that Sokoloff is the most prolific lexicographer of Aramaic of his generation Sokoloff has furnished the scholarly community with essential reference tools of a high standard for which we are grateful Siam Bhayro Journal of
