By Umberto Eco : Experiences in Translation (Emilio Goggio Publications Series) Experiences in Translation (Emilio Goggio Publications Series):

In this book Umberto Eco argues that translation is not about comparing two languages but about the interpretation of a text in two different languages thus involving a shift between cultures. An author whose works have appeared in many languages Eco is also the translator of Gérard de Nerval's *Sylvie* and Raymond Queneau's *Exercices de style* from French into Italian. In *Experiences in Translation* he draws on his substantial practical experience.
