In Life, Love, And Language:

4 of 4 review helpful What and Where has this Woman Lived By jimsecor For me who expected according to the marketing PR much more this was a shallow useless book that is about this rich woman's idea that the cuteness she found in China is in fact Chinese culture It is not Not by a long shot All one learns from this book is how very shallow the author is from the get go Wo ai ni Chapter One The Chinese do NOT Deborah Fallows has spent a lot of her life learning languages and traveling around the world But nothing prepared her for the surprises of learning Mandarin China's most common language or the intensity of living in Shanghai and Beijing Over time she realized that her struggles and triumphs in studying learning the language of her adopted home provided small clues to deciphering behavior and habits of its people and its culture's conundrums As her skill with M From Booklist Fallows manages to take the relatively dry subject of translation and create a warm and witty memoir Dwelling less on her own feelings then on the intricacies of language mastery she shares experience
