germanic languages 5 out of old english old norse and of the earliest germanic languages old english and its closest relatives survey of the earliest germanic languages Old English and Its Closest Relatives: A Survey of the Earliest Germanic Languages:

At first glance there may seem little reason to think of English and German as variant forms of a single language. There are enormous differences between the two in pronunciation, vocabulary and grammar and a monolingual speaker of one cannot understand the other at all. Yet modern English and German have many points in common and if we go back to the earliest texts available in the two languages the similarities are even more notable. How do we account for the
