By Andrew N. Nelson, John H. Haig : The New Nelson Japanese-English Character Dictionary

ero definition at dictionary a free online dictionary with pronunciation synonyms and translation look it up now a kanji dictionary is used to look up a word for which one only knows the kanji not the pronunciation there are three main ways to search

for a word in a kanji The New Nelson Japanese-English Character Dictionary:

3 of 3 review helpful A second opinion By M Ricketts Originally I had rated this dictionary at three stars After getting beyond the surface of the Nelson I would rate it at four and a half This book has so many characters and combinations that it is overwhelming It also contains historical tables for shoguns emperors and cultural eras as well as a list of important kanji and what kanji Japanese children learn in Unexcelled as a dictionary of basic Sino – Japanese characters Extremely easy to use – Japan Society This is the utmost classic and well regarded standard Japanese Kanji Dictionary available today The New Nelson Japanese – English Character Dictionary is a complete revision of The Original Reader's Japanese – English Character Dictionary published by Charles E Tuttle Company in 1962 Long the foremost Japanese – This reigning authority on Japanese character definitions is based on missionary scholar Nelson's first 1962 edition of The Modern Reader's Japanese English Character Dictionary Essential for all Japanese and East Asian studies collections –
