Basic Chinese Characters (Tuttle Language Library):

1 of 1 review helpful Great By FlutterFairy Came just as described I like that they tell you stroke orders and directions and all that good and helpful stuff for beginners like me I recommend this if you are still trying to learn about strokes words characters etc 1 of 1 review helpful At first glance you see the price and the quality By Customer At first This book is a quick and easy way to learn basic Chinese Characters All beginning Chinese language learners struggle to memorize and learn to write Chinese characters The First 100 Chinese Characters adopts a structural approach which helps students to quickly master the basic characters that are fundamental to this language Intended for beginning Chinese students this character book presents characters that have been carefully selected for rapid This book really does have the characters you need to know for a basic understanding of Mandarin I like the fact that it supplies a proper grid gives you both stroke order and direction and show the radical for each character If you're a new person who wa
