By Clyde Pharr, Paula Debnar, John Wright : Homeric Greek: A Book for Beginners the roman empire and qing dynasty are now only ruins but theres far more to discover about the ancient world explore classical history mythology language and greek myths are stories that ancient greeks were telling about their gods goddesses and magical beings Homeric Greek: A Book for Beginners:

27 of 28 review helpful Modernization Weakens a Classic Text Book By Customer This is the third revision of this classic work I am a Greek teacher who has used the Pharr book for almost 10 years Each successive revision has weakened the original text The problem is that in the original form it offered a unique approach to a challenging but rewarding subject Each revision has simply made the text more like other text For many years Homeric Greek has been a standard textbook for first year Greek courses in college and preparatory schools It offers students the exciting experience of learning to read a Homeric poem in the original language while introducing them to the fundamentals of ancient Greek This fourth edition addresses the needs of today rsquo s teachers and students while retaining those elements of the original book responsible for its longevity Written and About the Author Clyde Pharr 1885 ndash 1972 was head of the Classics Department at Vanderbilt University
