8 of 8 review helpful Great product By Anita P The back of the book was incredibly helpful It tells you what the meter is for every poem along with some notes on some of the more difficult forms It also contains a section reviewing all the important people you find in the poems All in all it was a great book although not something I d recommend for beginners Definitely an intermediate level book The book takes for gr Although his audacious erotic and satirical verses survived the Middle Ages in only a single copy Catullus has become in our time a canonical author ranking in popularity and importance with Virgil Horace and Ovid And for students and teachers of Latin Daniel H Garrison rsquo s The Student rsquo s Catullus is a definitive introductory text This fourth edition thoroughly revised makes Catullus rsquo famous poems more accessible than ever About the Author Daniel H Garrison is Professor of Classical at Northwestern University He is the author of Mild Frenzy A Reading of the Hellenistic Love Epigram The Language of Virgil The Student s Catullus 3rd ed
