(KLEAR Textbooks in Korean Language):

3 of 3 review helpful Really wonderful language books By Haru Okumura I m really honestly 100 surprised with how much I was able to get out of this course level left the same review for Beginning 1 since I ve completed both books I struggled with teaching myself Korean for about 10 months with other books and programs until I took a friends advice to just purchase these same college textbooks she used for Korean and lea This is a thoroughly revised edition of Integrated Korean Beginning 2 the second volume of the best selling series developed collaboratively by leading classroom teachers and linguists of Korean All series volumes have been developed in accordance with performance based principles and methodology contextualization learner centeredness use of authentic materials usage orientedness balance between skill getting and skill using and integration of speaking list
