9 of 9 review helpful Almost great for self study By Nyoko This book is required for a language class I take What I like about it is it's easy to use and it's easy to access the audio online You don't need an account or cd's or what not

Since Korean is pretty much a hard language to find in most Southern California community colleges Cal States and Universities I know nothing of other Korean workbooks to compare thi This workbook accompanies the thoroughly revised edition of Integrated Korean Beginning 2 the second volume of the best selling series developed collaboratively by leading classroom teachers and linguists of Korean All series volumes have been developed in accordance with performance based principles and methodology contextualization learner centeredness use of authentic materials usage orientedness balance between skill getting and skill using and integration About the Author Mee Jeong Park Author Mee Jeong Park is associate professor of Korean language and linguistics in the Department of East Asian Languages and Literatures at the University of Hawai i at Manoa with a PhD from University of California Los Angeles
