## Step by Step Handbook:

38 of 38 review helpful terrible book By Momazon Please don't waste your money on this book You won't get anything useful out of it except how to ask a patient to open or close their mouth Most of the phrases taught here will be useless in a real dental office visit and for some reason they added menus and information about fiestas as page fillers It's really my fault for buying a book on dental Spanish that wasn't it This handbook and accompanying CD have been designed to help dentists dental hygienists and other dental personnel communicate with Spanish speaking patients Intended for novice learners as well as those who need to polish their rusty high school Spanish Paso a Paso can be used in emergency situations or as a source of phrases to make routine visits more comfortable for patients or anywhere between those extremes The book includes aspects of Latino From the Inside Flap Bilingual training for dental professionals complete with dental related Spanish vocabulary About the Author Deborah Bender Ph D MPH is co director of Pasos the Language and Culture Learning Initia
