17 of 17 review helpful Just What I Was Looking For By Avid Reader While learning Spanish one of the most difficult hurdles has been understanding the spoken voice of native speakers With so many different accents and slang it s been hard to listen to a conversation and keep up Some conversational Spanish CDs have only a few short tracks of conversation which helps a lot but I needed more Watching Univision and liste Narrada a una sola voz provee una compresión y precisa de la Biblia Cada libro de la Biblia cuenta con una breve introducción que le da una visión general rápida y preparatoria para cada uno de ellos From the Back Cover Now available in MP3 format this audio Bible is the best you could own The audio NIV Bible is more than a Bible you listen to it is an experience which helps you enter the Word of God and have it live in you
