**By Alice Omaggio Hadley : Teaching Language In Context (World Languages)** communicative language teaching clt or the communicative approach is an approach to language teaching that emphasizes interaction 1 people often ask how long will it take me to become proficient in language x this question is impossible to answer because a lot depends on a persons language Teaching Language In Context (World Languages):

1 of 1 review helpful Excellent book for Foreign Language Teachers By Caitheanne Logan This book has been around for nearly a whole generation now and is considered the holy grail on Foreign Language Teaching since its first edition in 1993 yet as a reader I could not help noticing the excessive number of references interrupting the flow

of the text and the author's thoughts. It would have been better if these references Teaching Language in Context is THE essential methods text for anyone teaching or learning to teach a foreign language. Teaching Language in Context is the musthave reference text for every foreign language instructor. 1 On Knowing a Language 2 On Learning a Language 3 On Teaching a Language 4 The Role of Context in Comprehension and Learning 5 A Proficiency Oriented Approach to Listening and Reading 6 Developing Oral Proficiency 7 Becoming Proficient in Writing
