**By Matthew Strawbridge : Netiquette: Internet Etiquette in the Age of the Blog** abebooks netiquette internet etiquette in the age of the blog 9780955461408 by matthew strawbridge and a great this is a first class little book and i thoroughly recommend it to beginners and experts alike however i feel that the title perhaps undersells its appeal Netiquette: Internet Etiquette in the Age of the Blog:

0 of 0 review helpful The author believes that a polite online presence is an important means of improving everyone's experience By James Kenney I found this book to be helpful although much of what it says is common sense spelled out for beginners or those too hip to follow any kind of guidance His discussion about flame wars and how to avoid them was worthwhile and is one of the main reasons I bought the book I also This up to date book covers all aspects of Internet etiquette including email discussion forums online auctions instant messaging and much more It explains modern topics such as blogs and wikis and how netiquette applies to them Although this book is suitable for beginners even experts should find plenty to make them think At once prescriptive and pragmatic this book tells you in plain language how everyone would behave in a perfect world giving you the knowle
