10 of 10 review helpful Terrific resource at a great price By N Yanov this is one of a series of dual language editions of Russian classics published in an inexpensive format by Mr Vassiliev The co ouml ridination of the Russian and English translation is well done and the text is very readable The translations preserve the constructions of the original within the bounds of idiomatic English If you have learned Rus This book contains The Kreutzer Sonata Leo Tolstoy s afterword to The Kreutzer Sonata and The Death of Ivan Ilyich This is a dual language book with the Russian text on the left side and the English text on the right side of each spread The texts are precisely synchronized See more details about this and other books on Russian Novels in Russian and English page on Facebook
