theses mercredi 10 juin 2015 Diplomat, Actor, Translator, Spy (Cahiers):

0 of 0 review helpful A brilliant personal account of the experience of being a professional By Louis Marcelin Rice A brilliant personal account of the experience of being a professional translator The French is scintillating worth reading before the English In recent years theories about translation have proliferated nbsp Yet surprisingly little has been written about what it actually feels like to be a translator to spend one s days devoted to the words of another nbsp Bernard Turle s Diplomat Actor Translator Spy seeks to address certain prevailing translation theories but above all to give a sense of the true task of the translator a daily grind that is anything but abstract nbsp Through ldquo Turle is particularly good on the physicality of being a translator the terrible slowness of the process as compared with reading one rsquo s longing to be unchained from one rsquo s computer and the equal desire to keep working rdquo
