0 of 1 review helpful Five Stars By chandralynn Great Thank you 63 of 64 review helpful like Lucian's voyage itself this edition is OUT OF THIS WORLD By Markos There are purists I know and respect who feel these types of heavily annotated editions are harmful to the learning of Ancient Greek I respect the purists and they are wrong Editions like this HAVE to be The aim of this book is to make Lucian's A True Story accessible to intermediate students of Ancient Greek The running vocabulary and commentary are meant to provide everything necessary to read each page Lucian's A True Story is a great text for intermediate readers Its breathless narrative does not involve many complex sentences or constructions there is some unusual vocabulary and a few departures from Attic Greek but for the most part it is a straightforward About the Author Evan Hayes is a graduate of Miami University Stephen Nimis is a Professor of Classics at Miami University
