By Rebekah Clements : A Cultural History of Translation in Early Modern Japan ecology and japanese history

reactionary environmentalisms troubled relationship with the past compendium of all course descriptions for courses available at reynolds community college A Cultural History of Translation in Early Modern Japan:

The translation of texts has played a formative role in Japan's history of cultural exchange as well as the development of literature and indigenous legal and religious systems. This is the first book of its kind however to offer a comprehensive survey of the role of translation in Japan during the Tokugawa period 1600-1868. By examining a wide range of translations into Japanese from Chinese, Dutch and other European texts as well as the translation of classical J. Clements book is a thorough and extensively annotated look at the kinds of early modern texts that were translated, who translated them and the various and fascinating forms that those translations took. One of the strengths of this book is the depth of
