By Jack Moeller, Thorsten Huth, Gisela Hoecherl-Alden, Simone Berger, Winnie Adolph : Deutsch heute (World Languages) babbel is the new way to learn a foreign language the comprehensive learning system combines effective education methods with state of the art technology real time statistics for current population of any country real time data on population births deaths net migration and population growth Deutsch heute (World Languages):

1 of 1 review helpful Could have been better organized By Quinn Its a text book after all still I think the book is poorly ordered for a language book and rather confusing at times 2 of 3 review helpful Doesn t come with the CD By Eric I bought this book new at my college bookstore which set me back 288 I thought that I could get it cheaper

somewhere else and DEUTSCH HEUTE successfully develops the skills of introductory German students by maintaining a focus on building listening speaking reading and writing skills Manageable for two semester courses the Tenth Edition covers grammar in a logical sequence Each chapter contains many function based activities that focus on specific emotional expressions Students are introduced to contemporary life and culture in German speaking countries through a cast of recurring characters About the Author Jack Moeller is retired from Oakland University after many distinguished years of excellence in teaching He continues to be involved in the revision process of DEUTSCH HEUTE and KALEIDOSKOP to ensure the quality and integrity of the program
