has become one of the key issues in Translation Quality Assessment: Past and Present:

Translation Quality Assessment has become one of the key issues in translation studies. This comprehensive and up to date treatment of translation evaluation makes explicit the grounds of judging the worth of a translation and emphasizes that translation is at its core a linguistic art. Written by the author of the world's best known model of translation quality assessment, Juliane House, provides an overview of relevant contemporary interdisciplinary research. Juliane House's book is much more than an updated edition of her earlier groundbreaking accounts of Translation Quality Assessment. It is the fruit of 40 years of research in translation from both professional and academic perspectives and the crowning
