0 of 0 review helpful Sehr Gut By Iso I purchased this book for one of my courses at the University and I really do love it It really breaks down the grammar in a way that I could understand it with a plethora of explanations and examples and enough exercises to ensure that the rules really sink in It provided enough of a challenge that it was a great learning tool but was not so overwhelming that I wanted to cry in fr This intermediate modular approach to German grammar serves as both a reference handbook and a practice manual There are a total of 30 chapters The 24

regular chapters provide a presentation of new information followed by material for oral and written practice
