1 of 2 review helpful We are pleased with it By Dawn Byrd I got this for my daughter for a college class We are pleased with it She is able to complete her course work KALEIDOSKOP features a flexible four skills student centered approach that promotes communication and focuses on the literature and culture of the German speaking world KALEIDOSKOP is essentially two books in one a cultural and literary reader Lektüre with 10 Themen and a comprehensive review of grammar Kapitel This combination allows maximum flexibility for instructors to design their

own programs This ninth edition also features a fully integrated short film Excellent grammar explanations and good solid varied activities accompanying them I have seen other intermediate German textbooks None of them can compare to the grammar sections in Kaleidoskop I really like the topics and presentation of the
