**By Renáta Panocová Pius ten Hacken : Word Formation and Transparency in Medical English** etymology medicine british english m d s n listen; american english m d s n listen is the science and practice of the diagnosis a a few a little a little while ago a lot a lot of abacus abaft abandon abandon ship abandoned abandonee abandonment abase abasement abash Word Formation and Transparency in Medical English:

As a side effect of the rapid progress in medical research and of the emergence of new medical conditions medicine is a domain where new concepts have to be named more frequently than in many other domains Because of the

prominent position of English in medical research most of these concepts are first named in English This raises questions relating to the naming strategies adopted and the consequences of the choice of particular strategies These consequences are no Word Formation and Transparency in Medical English is a valuable work for those interested in lexical and terminological studies especially for the deep descriptive and methodological quality of its contributions Bruno O Maroneze Universidade Federa
