8 of 8 review helpful Egyptian Glyphary needs work By Randy I was impressed and pleased with the general coverage of the language's vocabulary contained in this book and the way the information was organized using the glyphs themselves as the key to its dictionary arrangement. However I was more than a little unhappy and disappointed with the typos in the English definitions and other English text. They made me wonder a. The Egyptian Glyphary is part of Museum Tours' series "The Essentials" books that anyone serious about the study of Egyptology will find useful. This unique Egyptian language dictionary is called a Glyphary to distinguish it from dictionaries that list entries in strictly alphabetical order. Rather it lists words based on the hieroglyphic signs that they contain resulting in easier word look up. One can find a word without knowing its beginning.
