Spoken World: Irish (Book & CDs):

6 of 6 review helpful Nice Language Set By Mr Impossible Pretty pleased with this set overall so far My only complaint is that in the accompanying book the dialogues are very complex right from the get go and get progressively more so fast And the English translation is not printed line for line beneath the Irish The English translation comes

after the Irish dialogue which often means a lot of page turning to keep This simple and effective introduction to Irish Gaelic teaches everything one needs to speak understand read and write in Irish Gaelic This program assumes no background in the language and it explains each new concept clearly with plenty of examples making it ideal for beginners or anyone who wants a thorough review Living Language Irish Gaelic includes middot A course book and six audio CDs middot Two unique sets of recordings one for use wi
