Mutter Courage und ihre Kinder (Modern Classics):

0 of 0 review helpful Not a translation so much as adaptation but it works By Spike This is Brecht's play as interpreted
and translated by American playwright Tony Kushner Angels in America etc Given that Kushner admits that he does
not speak or read German he has done a remarkable job of making Brecht's play available to English speaking
audiences I have read the play in German and while Kushner's work is not Mother Courage and Her Children is
widely regarded as Brecht's best work a theatrical landmark and one of the most powerful anti war plays in history
This unique bilingual edition allows students to compare the original German text with a translation by one of the
world's leading playwrights Tony Kushner In this play a chronicle of the Thirty Years War Mother Courage follows
the armies back and forth across Europe selling provisions and liquor The Threepenny Opera and Mother Courage are
the great plays of our time Lillian Hellman The Threepenny Opera and Mother Courage are the great plays of our
