0 of 0 review helpful Different than most Italian books but still worth it By I Caruana Da capo is a very useful book  
but not geared to only English speakers It is geared to Italian language schools in Italy There is no English in the  
books only Italian I don t find these to be the most approachable of my school text books but they do have a totally

different style than any other Italian language book I have used It Intended for the Intermediate Italian course I welcome enthusiastically the new Vivere in Italia and A voi la parola sections It s wonderful to have culture presented conveniently in passages whose length won t won t scare off the students The order in which the various components of the
