0 of 0 review helpful This is the best grammar book I have ever owned By Beth This is the best grammar book I have ever owned The authors break down the concepts really well and give loads of clear easy to understand examples The book is both great if you want to read through it from the start or jump around and look up what you need I like that

each chapter has an interesting theme You ll find funny nerdy examples tal This intermediate modular approach to German grammar serves as both a reference handbook and a practice manual There are a total of 30 chapters The 24 regular chapters provide a presentation of new information followed by material for oral and written practice including Grammatik grammar Wortschatz vocabulary Uuml bungen exercises self and small group practice Anwendung application in class group activities Schriftliche Themen writing topics and Z About the Author Jamie Rankin is director of the Princeton University Center for Language Study and coordinator of language teaching and pedagogy in the Department of German He has been a senior lecturer at Princeton since 1991 After completing a Ph D in Ger
