1 of 1 review helpful Great for Practicing Beginner s Italian By Joey I used this workbook for an elementary level Italian course and it was perfect for practicing the grammar and vocabulary covered in the companion textbook Ciao Hardcover Particularly this workbook does a good job of providing sufficient exercises on the present tense two of the essential past tenses passato prossimo and imperfetto and the fut This companion volume complements and enhances

the approach of the text on a chapter by chapter basis The Pratica sections feature written exercises on grammar and lexical structures The Comprensione sections serve as a guide to the laboratory program expanding on phonetic elements and providing pronunciation practice and grammar based aural recognition and oral comprehension exercises In addition the Como se dice translation sections are now featured in this About the Author Carla Larese Riga received her Master of Arts from Stanford University and has worked toward a PhD at the University of California Berkley She has over 30 years of experience as a dedicated professor of Italian at various institutions includi
