**By Paul Kussmaul : Training the Translator (Benjamins Translation Library)** Training the Translator (Benjamins Translation Library):

1 of 1 review helpful A must for any translation instructor By Edgar A Moros Kussmaul s talks about an area were

works are much needed Translation Pedagogy His focus on the mental processes used by translators is specially insightful As a professor of Translation I recommend this work This book begins by investigating through the use of think aloud protocols the mental processes of students when they translate The creative and successful processes observed can be used directly for teaching purposes while the unsuccessful ones can serve to find out where remedial training is needed The book then goes on to discuss methods for improving a translator s competence The strategies offered are based on the pragmatic and semantic analysis of texts from
