**By Richard A. Tennant, Marianne Gluszak Brown : The American Sign Language Handshape Dictionary** an american sign language dictionary this asl dictionary helps you find the asl equivalents of english words a sign language video dictionary and learning resource that contains american sign language asl signs fingerspelled words and other common signs The American Sign Language Handshape Dictionary:

3 of 3 review helpful The best ASL dictionary I ve found By Joie E This is by far my favorite ASL dictionary Most ASL dictionaries have an alphabetical list of English words with a corresponding picture or drawing of the sign itself But what if you SEE a sign again and again and ask yourself What IS that sign How do you look THAT up Enter The American Sign Language Handshape Dictionary You ca Featuring bull More than 1 900 Sign Illustrations Including 327 New Signs bull Plus DVD Showing How to Form Signs bull Arranged by Handshape for Easy Identification bull Complete Index of English Vocabulary for All Signs bull An Introduction to Deaf Culture and ASL StructureThe first reference source that allows users to access ASL signs without previous knowledge of their English equivalents far superior to those in most other From Library Journal This reference complements other American Sign Language ASL dictionaries by organizing signs by handshape rather than alphabetically by English word order In so doing it acts best as a recognition tool for the ASL learner leading the us
