By Phil Medina : Earth Science (Homework Helpers (Career Press)) Earth Science (Homework Helpers (Career Press)):

9 of 9 review helpful Homework Helpers Earth Science By D Engles I wanted an Earth Science book that was on a high school college level but was easy enough for my 12 year old homeschooler to understand and not be bored to death or overwhelmed by the content She likes the whole homework helpers science series including this one 10 of 10 review helpful Helped Me By A McNabb Provides information and questions with solutions about earth science intended to supplement traditional texts or to review the subject and includes coverage of geology meteorology and astronomy
