By Suzanne Jill Levine : The Subversive Scribe: Subversive Scribe: Translating Latin American Fiction (Dalkey Archive Scholarly) The Subversive Scribe: Subversive Scribe: Translating Latin American Fiction (Dalkey Archive Scholarly):

2 of 2 review helpful Tremendous By Jeffrey M Brown This book cannot be overlooked It is the most comprehensive and insightful analytical literary work I have ever read Jeff Brown 0 of 1 review helpful specialized and difficult By Raquelita Definitely not for beginning translators although it would hold the interest of people with an advanced interest in t A classic study of the art of translation from one of our greatest translators ldquo What she Levine has to say about the linguistic personal scholarly and imaginative elements that the translator must bring to that process is an invaluable contribution to our understanding of translation in particular and creativity in general
