6 of 6 review helpful Probably not what you think By An Honest Review I really have not found this helpful as a previous ASL student and now a mom teaching baby ASL I intended to use this as a cheat sheet for my husband to use to get familiar with COMMON ASL signs and the alphabet Yes this has the alphabet but other than that only has

things like the days of the week the months numbers and colors No hello please American Sign Language ASL is a vital communication skill which enables the practitioner to communicate with those who are hearing impaired or otherwise unable to communicate verbally
