Pronunciación de la lengua española para anglohablantes (Spanish Edition):

1 of 1 review helpful Este es el mejor By Dylan Baez Super recomendado facil de entender y aplicar Pronunciación de la lengua española para anglohablantes provides students with two types of practical knowledge First it draws upon key English Spanish sound contrasts to guide proper pronunciation of Spanish sounds Second it adds to this body of information a systematic treatment of regular phonological rules and shows how these rules manipulate

sounds The goal of this twofold presentation is to impart not just more native sounding pronunciation From the Back Cover Written entirely in Spanish the book is designed to help native English speaking students improve their Spanish pronunciation Appropriate for those with two years of Spanish on up the text is ideal for lower level classes to catch bad
