2 of 2 review helpful Powerfull Informative By JPN Provides Wonderful Background Information for the Hebrew  
Language Alphabet Benner has done an excellent job of taking his extensive research and condensing it down in to a

clear and understandable manner He seems to have written this as a caring teacher who wants his students to understand and learn Great Job 2 of 2 review helpful The Hebrew Bible called the Tenach by Jews and Old Testament by Christians was originally written in the Hebrew language using an ancient pictographic or paleo Hebrew script Through the study of this ancient language and script the words of the Bible will come alive to the reader in a way never seen before When we read the Bible from our modern western perspective the original meanings of the words within the text are lost to us Only by understanding these words From the Publisher Origins of the Hebrews the Hebrew language and the alphabet An in depth history of the Ancient Hebrew pictographic alphabet the relationship between the pictographic letters and word definitions and extensive script charts Lessons to learn
