4 of 4 review helpful A good way to develop vocabulary By Greg de Freitas A great system for learning to speak a language The lessons gradually build vocab by adding just one word at a time Before long you will be speaking phrases and then constructing sentences This is the quickest method I have found of developing vocab as all words are used in context The main drawback in learning this way is that it does not de Our best selling audio language learning program provides comprehensive grammar and vocabulary to beginners and advanced students offering guidance in pronunciation in addition to language fundamentals Updated for the 21st century and re recorded with fresh voiceovers

Learn In Your Car includes terminology for cell phones computers and the Internet as well as contemporary currencies and usages Listeners learn pronunciation vocabulary and grammar of a new language
