Rules:

1 of 1 review helpful Worth a read if you need it By Customer This book helps make sense of RRO and should be especially helpful to anyone facing a difficult meeting situation in which you want to maximize your chances of making your point of view prevail It's a far more engaging book than a straight RRO and actually helped me understand the WHYs of many aspects What it can't do is simplify what is admittedly a very complex The bible on Parliamentary procedure hellip For anyone who has ever had something important to say at their local school board or condo association meeting only to be drowned out by others who knew how to take control of the meeting mdash or were just louder mdash this guide shows how anyone can get their thoughts and ideas heard and their agendas and proposals passed Written by professional Parliamentarian Nancy Sylvester this book provides About the Author Nancy Sylvester MA PRP CPP T has been a practicing professional parliamentarian since 1980 She is a Professional Registered Parliamentarian a Certified Professional Parliamentarian and a Certified Teacher of Parliamentary Procedure
