Interpreting in Nazi Concentration Camps (Literatures, Cultures, Translation):

This significant new study is concerned with the role of interpreting in Nazi concentration camps where prisoners were of 30 to 40 different nationalities With German as the only official language in the lager communication was vital to the prisoners survival While in the last few decades there has been extensive research on the language used by the camp inmates investigation into the mediating role of interpreters between SS guards and prisoners on the o In this book Michaela Wolf brings together pioneering essays by an outstanding group of scholars conducting pioneering research on interpreting encounters within Nazi Concentration Camps The contributors offer many insights from the psychological ramificatio
