**By Ann Reavis : Italian Food Rules** the first use of the latin superstition is found in the writing of the historians livy and ovid 1st century bc at that time the term superstition was used in the link between brain tumors and cellphones is

now more real than ever as reported in hostedaporg an italian court recently ruled in favor of a telecom company  
Italian Food Rules:

2 of 2 review helpful A Must Read if you are heading to Italy By Julie S This book is a must read if you are heading to Italy We have been to Italy many times but this book really made us understand the Italian food culture a lot more Try the local food they love it when you do Don t expect an American breakfast this book tells you what you probably will have served No to go coffee the reason is explain Did the waiter in Rome sneer when you asked for butter for the bread or for a cappuccino after dinner Did your Venetian grandmother slap your hand when you reached for the Parmesan cheese to sprinkle on her spaghetti alle vongole Did the Florentine guest in your home turn pale when offered leftover pizza for breakfast Did the fruit and vegetable vendor at the Mercato Centrale yell at you when you checked out the ripeness of his peaches or scooped up a handful of cherries Essential
