By Meda Gunnarsdottir : **Icelandic Language: The Icelandic Phrasebook** this is a usable phrasebook it explains pronunciation and the bare essentials of travel communication an adventurous person could use it to get by but please norwegian is the language spoken in norway its closely related to danish and swedish and most speakers of the three

languages can understand each other without Icelandic Language: The Icelandic Phrasebook:

3 of 3 review helpful Good book if you're learning Icelandic for fun By Heather Rain There's a wide variety of phrases in this book but I would have organized it a bit differently if I'd written it myself Certain phrases were a bit difficult to locate since they might be located in a different section than the one that makes most sense in my head That and while in Iceland even when I tried to speak Icelan Whether you have a trip to Iceland coming up and you're not sure quite where to begin with the language or you need to study Icelandic for any other reason this guide will provide everything you need to make your trip to Iceland a comfortable one With the most frequently heard Icelandic words and phrases all grouped by topic plus fascinating details about its culture make this book a must for any traveler to Iceland But wait There's more The menu has
