19 of 19 review helpful Pretty helpful By A The author explains most things very clearly I sometimes wish things

were organized a little differently or introduced more explicitly for the sake of clarity Also there are some errors that can make things confusing Like an answer that doesn't match the question asked or an incorrect formula here and there The formula for carbonate on p 147 is incorrect Mostly a he Homework Helpers Physics is the latest book in the popular series that has been designed to help students master the material and tackle the tests It will help any student unravel the formulas that describe the world around him or her Each lesson is written in clear easy to understand language and supported with review questions Answers and detailed explanations are found at the end of each chapter Homework Helpers Physics covers all of the t About the Author Greg Curran is the author of Homework Helpers Chemistry Career Press He has a B A in biology and psychology from SUNY Purchase and an M S in curriculum and teaching from Fordham University He has been teaching science for 15 years and cu
