**By Leah Poole Osowski : Hover over her** neighbors in hurst are now pushing back after a police drone hovered over one backyard without warning the hendo hoverboard is here and real and amazingly cool it is the first product to

showcase the arx pax magnetic field architecture mfatm technology Hover over her:

2 of 2 review helpful I love hover over her By Customer Leah Osowski has a style unlike any I have ever read Her poems give me a window into her development and self discovery as a woman and in turn give me a window into my own I love hover over her I d highly recommend it ldquo In Leah Osowski rsquo s exquisite debut hover over her the poet immerses us in geographies of unrealized adolescence where young women are singular amidst their cacophonous backdrops whether beside a lake inside a Dali painting or stretched out in a flower garden These spaces are turned inside out for us through Osowski rsquo s linguistic curiosity and unforgettable imagistic palate Negative possibilities hang around every corner as well showing About the Author Leah Poole Osowski is from Massachusetts and received an MFA in poetry from University of North Carolina at Wilmington Her work has appeared or is forthcoming in Black Warrior Hotel Amerika New Delta Painted Bride Quarterly S
