By Sharon Wynne : TExES Science 7-12 236 start preparing today with a texes study guide that includes texes practice test questions raise your texes score guaranteed by mometrix texes preparation sessions if you need help in preparing for one of the texes certification exams we can offer help with our variety of training sessions TExES Science 7-12 236:

0 of 0 review helpful Okay not great Make sure you use other texts for study By Cody Miller Lots of typos repeat information literally the exact same paragraph copied into a separate section at one point and my copy has distorted

graphics on certain pages It looks like the book may not have printed properly Information is OK not great I am only using this book as a supplement to my other textbooks for Unlike other teacher certification test preparation material our TExES Science 7 12 study guide drills all the way down to the focus statement level providing detailed examples of the range type and level of content that appear on the test Completely aligned with current TExES exam this book provides the support you need to study and pass the exam with confidence This study guide includes one practice test to help you test your knowledge understand how the exam
