9 of 10 review helpful Much to Think About By ilynxis This book sort of reminds me of Pride and Prejudice somehow maybe because it's advice for being a gentleman and I can see the characters in PaP thinking or saying these words of wisdom I don't mean to say it's a novel because it isn't it's what it says The Gentleman's Handbook Some of the advice on behavior could equally apply to women Enjoyable and a lot to pond Gentlemen might be in short supply

today but this little book of wisdom could be a cure If you're a young man who cares about the quality of his mark on the world or if you know such a young man the aphorisms of The Gentleman's Handbook may prove a helpful guide
