24 of 24 review helpful Excellent resource for public speakers or those who have difficulty starting conversations By
horrorgirlonna I used to be terrified of speaking in front of a group As I rsquo ve matured I rsquo m no longer
terrified but still find it uncomfortable and worse I can rsquo t think of anything interesting to say If you cannot
interest your audience you rsquo re going to lose them in about 30 second Magic of Impromptu Speaking is a
comprehensive step by step system for creating highly effective speeches in under 30 seconds It is based on research
of the most powerful techniques used by winners of impromptu speaking contests politicians actors and successful
presenters The book is entertaining to read has plenty of examples and covers the most effective tools not only from
the world of impromptu speaking but also from acting stand up comedy applied psychology Andrii Sednief has done it
again After his best seller on public speaking his new book teaches all the ins and outs of Impromptu Speaking All of
