By Robert Mondi, Peter L. Corrigan : A Student Handbook of Greek and English Grammar a student

handbook of greek and english grammar robert mondi and peter l corrigan september 2013 176 pp available in paperback the study of classical languages by earlier generations of english speaking students was greatly facilitated by the study of A Student Handbook of Greek and English Grammar:

0 of 0 review helpful Really good By too many books I like the methodology of this book First they show how we would say something in English then they show how you would say that kind of thing in ancient Greek It's a nice clear teaching method I like the way it boils things down into simple explanations Five stars for an excellent resource 2 of 2 review helpful Five Stars The study of classical languages by earlier generations of English speaking students was greatly facilitated by the study of English grammar in the schools a tradition now out of favor but one that emphasized precisely the concepts terms and constructions needed for the study of Greek and Latin Recent classical language textbooks while presuming little or no grammatical sophistication on the part of their students often provide little more by way of oriented toward teaching the basic concepts of Greek grammar concepts not the grammar itself and at the same time exemplifying each concept with both English and Greek examples written side by side the presentation of the concept of subj
